Lieutenant

PRESS RELEASE

On Saturday January 26, 2013 at approximately 7:30am the Holliston Police Department responded to 838 Washington Street on the report of a past breaking and entering and a possible larceny from that address. The building involved houses a firearms dealership by the name of Holliston Firearms, which was the target of this crime. Detectives from the Holliston Police and the State Police Crime Scene Services Unit have done a forensic examination of the crime scene. It appears that firearms were taken subject to confirmation by the owner's complete inventory. No suspects have been identified at this time. This investigation is open and ongoing.

UPDATE

Crime Scene Services and our Detectives cleared the scene at 1:00pm after gathering information and evidence. At that time the owner conducted a comprehensive inventory of the store. Specifics on what was stolen were conveyed to the Holliston Police at approximately 4:30pm. Any release of what has been collected would be premature at this time and could possibly compromise the investigation. We will continue to assemble all relevant evidence, leads are being developed and followed up on, and a multiagency effort, comprised of local, state, and federal law enforcement is underway. All investigators involved in this incident are keenly aware of the public safety concern and are dedicated to an expeditious resolution of the matter.
